Larger Quantities, available at Butcher Shop

- One Quarter Beef - \$3.00 a pound on hanging hot weight (after butchering) plus .69 cents a pound (second butchering fee) on hanging hot weight plus \$6.25 (first butchering) fee. The beef will be picked up at the butcher shop (you will pick up) Tuesday through Saturday, located in West Mobile. We take orders anytime and the processing/ butchering takes place between February and June. Payment is due upon processing when we know exact weight. The \$3.00 a pound is paid to Fidler Farms (cash or check) upon processing. The butchering fee is payable to the butcher upon pickup (cash or credit only).

Example Cost: The average hanging weight is 700 pounds per whole cow. 700 pounds divided by 4 = 175 pounds. 175 pounds times \$3.00 = \$525 plus .69 a pound (175 pounds x .69 = \$120.75) plus the \$6.25 for the second butchering fee. The cost for this quarter beef will be \$652.00. This would yield approximately 110 pounds of cookable meat bringing you to a cost of less of than \$6 a pound. The \$3.00 a pound is paid to Fidler Farms (cash or check) upon processing. The butchering fee is payable to the butcher upon pickup (cash or credit only).

- One Half Beef - \$3.00 a pound on hanging hot weight plus .59 cents a pound (second butchering fee) on hanging hot weight plus \$12.50 (first butchering fee). The beef will be picked up at the butcher
